

## THE AGILE LAB

**THE AGILE LAB at the University of Oxford, Begbroke Science Park.** A wet-chemistry lab specifically for Physical Science entrepreneurs looking to start up a business.

- A managed wet-chemistry space aimed at start-ups moving from a research environment
- Affordable lab bench & adjoining write-up space
- Low initial rent with extras included
- Extremely flexible terms
- Use of a range of shared lab equipment included
- Support from an Agile Lab Technician
- Access to networking events across the Oxford University run Science Park
- Superfast broadband & phone line (calls extra)
- On-site parking & regular mini-bus shuttle into the city centre
- Close to multiple transport links
- On-site coffee shop & restaurant

"The Agile Lab has been great to help us start.....it has provided a thriving environment with the most cost-efficient lab space in Oxford"
